

GRADES 3-4

Sort the Beach Debris

1. Colour all of the different pieces of debris below.
2. Cut them out and glue them into the correct category depending on whether they should be left at the beach, put in the bin or be recycled.

Graph the Data

1. Tally up how many items you ended up with in each category in the table on the left
2. Use this data to create a bar graph using the axes provided

Category	# Items
Leave at the beach	
Rubbish bin	
Recycle
